ESTABLISHMENT - Public Health - Sri U. Rukmayya, temporary peon Anti-Malaria Scheme, Puttur - Rule regarding age limit - Relaxed.

Humble petition of Sri U.Rukmayya, Peon, Dt Malaria Scheme, Puttur, South Kanara.

****

Sir,

Sub:- PUBLIC SERVICES - Exemption from age limit - Requested.

The petitioner humbly begs to represent the following few facts for kind consideration and favourable orders.

2. The petitioner joined Government service as a peon on 7-6-1946 under the Special Deputy Collector for Derequisitioning lands taken up for Military purposes, Uppinangady. As this establishment was disbanded from 1-10-1946, the petitioner's services were terminated on 30-9-46 A.N. and thereafter the petitioner worked in the Revenue Department as peon under the Revenue Inspector, Uppinangady from 14-1-48 to 6-3-48. For want of vacancy the petitioner was thrown out of employment till 17-11-48 when he joined as peon in the Dt. Malaria Scheme at Puttur and since then he continues as such.

3. The petitioner was born on 13-9-1922. The services of his juniors have been regularised in the Dt. Malaria Department and the petitioner's request for regularisation of his services, has not been favourably considered by the Director of Public Health, Madras in his proceedings L.Dis.No.82690-2/52 dated 22-6-53 on the ground that he is overaged.

4. The petitioner is requesting for sympathetic consideration of his case by the Director of Public Health, Madras and the Government. When he first joined his appointment under the

P. T. O.

Special Deputy Collector, Uppinangady he was below 25 years of age. The Director of Public Health, Madras might have issued the order under the impression that temporary services rendered by him under the Special Deputy Collector, does not count as Government service for regularising his services.

5. In this connection the petitioner submits that he belongs to a backward class called 'Sapalya (Ganiga) and the members of his caste are scarcely represented in Government service. The petitioner is the sole earning member in his family consisting of seven souls who are entirely dependent on him. After serving for a long time in the Government Departments it will be too hard a blow to bear, if he is thrown out of employment eventually.

6. Under the above circumstances the petitioner humbly prays that he may be exempted from the age limit of 25 years as a special case and his temporary services may be considered for regularising his services in the Dt. Malaria Department.

For which act of kindness and benevolence the petitioner and his family ever remain grateful.

1. U. Rukmayya, the temporary peon has put in a continuous temporary service of over five years in this Department. He belongs to a Backward class. His date of birth is 13-9-1922. In view of the fact that he belongs to a Backward Community and in view of the fact that he has put in a fairly long service, he may find it difficult to secure employment elsewhere if thrown out ~~and as he~~ of employment and as he has proved himself very useful his case was recommended to Government for favourable consideration.

2. 2. There does not appear to be any other case similar to that of the petitioner. If however others submit similar petitions, each case may be considered strictly on its merits. Copy of letter dated 31-1-1954 from the Health Officer, Antimalaria Scheme, Puttur recommending the petitioner case for exemption from age limit is also enclosed for the information of Government.

Yours faithfully,

FOR DIRECTOR OF PUBLIC HEALTH,

Copy of letter R.No. 131/54 dated 31-1-1954 of the Health Officer, District Malaria Scheme, Puttur, South Kanara District to the Director of Public Health, Madras.

Sub:-Establishment-Public Health -U.Rukmayya,Temporary Peon District Malaria Scheme, Puttur, South Kanara Exemption from age limit for regularisation of temporary services.

Ref:-R.No.86897-2/E.2 dated 22-1-1954 from the Director of Public Health, Madras.

With reference to the above letter I submit the following special circumstances which may be considered in favour of Sri. U. Rukmayya, temporary peon, with regard to his appeal to relax age limit for purposes of regularisation of his services.

1. The petitioner belongs to backward community of "Sapalya" (Ganiga) and deserves concessions on account of that

2. He was born on 13-9-22 and joined the Malaria Scheme on 17-11-1948. His overage at the time of appointment was only 1 year and 2 months in excess of upper age limit of 25 years.

(pto)

3. He has now served for over 5 years in this Department and though he was appointed temporarily, he was not aware that his appointment will be terminated solely on question of his age. Considering the nature of appointment (peon) and satisfactory service for 5 years, his case deserves to be considered sympathetically.

4. After serving so long in the Department he may not find any alternative appointment if he has to be removed from service as he is now overaged for any other appointment in other Departments. Unemployment is acute at present and it will be great hardship on him and his family consisting of large number of children if he is ousted from service.

5. Prior to joining this Department, he had served for short periods in 1946 and 1948 in the Revenue Department, while he was below 25 years, but for want of continuity of service, this period could not be reckoned in considering his age at the time of first joining Government Service, but it may be considered for granting exemption from upper age limit.

I therefore request that for the above special reasons his appeal may be viewed sympathetically and he be granted exemption from the upper age limit for purposes of regularisation of services.

Public (Services-D) Deptt.

The note of H.E.L.A. on pp. 1-2 ante may be perused. Inasmuch as U.Rukmavva, temporary peon, Dist.Malaria Scheme, Puttur, has put in about 5 years' service as a temporary peon and as it is stated that he belongs to the Ganika community which is one of the Backward Classes, this deptt. may agree to the proposal of H.E.L.A. at 'M' on page 2-ante. C.M. should see and a copy of the relaxation order should be communicated to the M.P.S.C. It is presumed that the temporary peon possesses the other qualifications, prescribed in rules 8 of the Madras Last Grade Service Rules and that he was recruited through the Employment Exchange. If not this rule also will have to be relaxed The regularisation should, however, take effect only from the date of issue of orders.

The file may be returned to H.E.L.A.
